

HAIG
HOUSING
HOMES FOR THE **VETERAN** COMMUNITY

 **100 YEARS**
1928 - 2028

No one who served should fight for a place to call home

For nearly 100 years we have helped transform
the lives of veterans and their families who are in
need of housing.

“ *I can sleep safe knowing we finally have somewhere to live, a
place of my own for myself and my children – I'm very grateful to
Haig Housing and all those who have helped me get to this stage.”*

Mental health and
wellbeing

Financial security

Employment access

Education opportunities

Community building

A home is where everything else begins.

The challenge

Demand for veterans' housing is rising – yet Haig Housing can only offer a home to 1 in 9 eligible applicants.

“Without an address I felt invisible, constantly battling for the basic needs that most people take for granted”

With your help, we can open more doors – and more futures.

How we can work together

Our £3M Centenary Appeal will part-fund 29 new homes and a community centre. Name a home. Leave a legacy. Direct, visible, permanent impact for your organisation.

Grants & Sponsorship

One-off or multi-year grants aligned to your CSR or foundations strategy. We provide full impact reports with data, beneficiary stories and third party validation.

Professional Services & In-Kind

Planning, construction, energy, tech. If your firm has relevant expertise, we want to talk. Partnerships, broadband provision, energy efficiency upgrades.

Employee Volunteering

Volunteer days on our estates, mentoring for veterans re-entering employment, skills workshops. Meaningful, structured, measurable, counts towards your social value targets.

Joint Ventures

For developers, housing associations and construction groups: explore co-development opportunities as we grow our portfolio. Planning, build and long-term partnership models.

Our centenary: A once-in-a-generation opportunity

In 2028 Haig Housing turns 100. We are raising £3 million towards 29 new homes and a dedicated community centre.

This is your chance to be part of a story that began in 1928 and will shape veterans lives for decades to come.
